McKEOWN Kathleen

Mum, special is the word that best describes you.

Special is a word that is used to describe something one-of-a-kind, like a hug or a sunset or a person who spreads love with a smile or a kind gesture.

People who act from the heart and keep in mind the hearts of others.

Special applies to something that is admired and precious and that can never be replaced.

Special is the word that best describes you.

Will miss you so much Mum.

All our love, Justine and John.

Deaths

McKEOWN Kathleen

Mum, I'll always have the memories.
