## Deaths

### OWEN Robert

Grandad, you were just a lad,  
So many years ago.  
You had your loves and had  
your dreams,  
You watch us come and go.

You watched us make the  
same mistakes,  
That you had made before.  
But that just made you hold  
us tight,  
And love us all the more.

We haven't always  
thought about  
The things that you have seen.  
To us you've just been 'Grandad',  
No thought of who you've been.

But we remember now in love,  
Your life from start to end,  
And we're just glad we  
knew you,  
As 'Grandad', and as 'friend'.

All our love forever.  
Jen, Jo, Lisa, Kev,  
Paul and Stuart xxx

together.

my darling hubby.

### SOUTHWELL Ray

Words can't somehow describe  
what you mean to me,  
and if they could it would take  
me months to tell you and  
years to write them down.  
But you know how much I'm  
going to miss you,  
you were so proud of us all  
and you were always by my  
side, no matter what.

I will always follow  
your footsteps  
for ever and ever  
and never  
let you down.

Your forever-loving son,  
Steve.
